Henry Frondorf Earns LEED Accredited Professional Certification

Cincinnati, OH – Henry Frondorf, Estimator at DG Frondorf and Associates, LLC, has become a LEED Accredited Professional (LEED AP) as designated by the Green Building Certification Institute of the US Green Building Council (USGBC).

LEED AP certification requires substantial knowledge and competence of construction and real estate professionals with respect to the environmental and green building practices recommended by the USGBC, the world's leading organization devoted to Leadership in Energy and Environmental Design (LEED), environmental stewardship and sustainable building and development practices.

Frondorf is a member of the American Society of Professional Estimators (ASPE), and is active in ASPE Chapter 38 - Southwest Ohio. Henry is also a member of a local construction industry benevolence organization - Allied Construction Industries (ACI).

A Sitework Estimator at DG Frondorf and Associates, LLC, the premier construction Sitework estimating firm in the Cincinnati area, Frondorf is a graduate of the University of Toledo.

Frondorf resides in Westwood, Ohio.

About DG Frondorf and Associates, LLC (DGFA)

DG Frondorf and Associates is the premier estimating company serving the civil and sitework construction trades in the Greater Cincinnati area. DGFA works with contractors, designers, owners, developers and construction managers providing project-specific data and construction budgeting. DG Frondorf and Associates was established in 1999.
